

Manata Pinot Noir 2022

winemakers comments:

Manata is our Central Otago regional Pinot Noir made from grapes grown in our vineyards in different sub-regions of Central Otago. The deep alpine valleys and waterways of Central Otago have carved the land available for grape growing into quite distinct sub-regions. Each pocket of land has its own unique climate and soil mix producing quite different styles of Pinot Noir. Manata captures the character of each of the sub-regions where vineyards are planted. Lowburn gives us bright, fresh sweet fruit, Gibbston savory and herbal tones, and Parkburn brings good texture and mineral length.

wine description:

An expressive and complex bouquet with sweet floral notes swirling around ripe cherry and plum fruit with aromatic spice in the background. There's ample fresh fruit and velvety tannin on a palate that is elegant, satisfying and highly drinkable.
