Vineyard & Winemaking Notes

Region | Esk Valley, Hawke's Bay

Alcohol | 13.5 %

Blended from multiple parcels of our estate vineyards both hillside and river flats. All vineyards and clones were picked and fermented separately. Small portion of whole bunch fermentation to aid fruit aromatics and structure. All barrel aged in French oak 15% new oak. 11 months in barrels.

Vegan friendly - This wine has been refined using pea and potato proteins rather than traditional animal products. Little interference with the natural growing processes. Little handling of the delicate fruit.
