## NEW DAWN Rosé

### Methode Traditionnelle Brut 2011

'Newly released, this is a sophisticated textural rosé made from 100% Pinot Noir. Johanneshof Cellars – whose underground cellars are located on the road to the Picton ferry – is a tiny, very hands-on producer passionate about sparkling wines. Toasty rather than bready autolysis, red apple, peach and strawberry yoghurt, this is honeyed and complex with a weighty, textural palate that has a pleasing roundedness. Good balance and a clean dry finish, this is one to savour. 10 years on lees.

Drinking Window: 2023 – 2033'
