

Carrick 2024 CARRICK LE PÉT NAT

Carrick Towan Vineyard, Bannockburn, SWNZ BIOGRO-5056

Le Pét-Nat is a Pétillant-Naturel or naturally sparkling wine, bottled mid-way through ferment to capture the natural effervescence. The 2024 features artwork by Wanaka based artist Sierra Roberts, as part of her Frida Collection. The flowers adorning 'Poppy' celebrate femininity and the fragility of life - inspired by the wild poppies and thyme that embellish the Bannockburn landscape.

The 2024 is a 50/50 blend of Pinot Noir and Riesling. Crushed, pressed and fermented in tank. When it reached the perfect residual sugar level to create the right amount of effervescence in the bottle, it was chilled and bottled. The yeast then kicked back in to ferment dry and create a beautiful natural fizz. No fining, filtration or disgorging.

Harvested: 31st March 2024
Additions: None
Filtration: None
Total Acidity: 7.5
Residual Sugar:
Alcohol: 13% abv
TSO2 at bottling: 0 mg/L
Bottled: 6 June 2023
Cases: 535 x 6 bottle cases produced.

"Central Otago summer in a glass. Fresh apricot and nectarine with hints of white blossom and cooling mint. Lively, zesty, juicy, stone fruit on the palate with a tight grapefruit citrus drive. Lingering nutty and brioche notes add complexity to the finish from the natural bottle ferment."

- Winemaker Zoe Kane

Cellaring Potential: Best from 2024-2026
