

Huia Rosé 2023

Made from 100% organic Pinot Noir.

RS: 2.2g/l / Alc: 12.4% / T.A: 7.3g/l / pH: 3.02

Sourced from vineyards in the Waihopi Valley with Abel clone fruit the soils present a mixture of stone, clay and silt on an elevated, sun-drenched site.

A slightly unsettled but warm growing season was measured with excellent viticultural care that delivered stunning grapes to the winery.

Grapes were hand picked and whole-bunch pressed with a small amount for colour.

Inoculated with organic yeast which completed a long, cool fermentation in stainless steel.

Minimum SO₂ was added just before bottling.

Senses:

Sight: soft blush.

Smell: rose water, lychee and strawberry shortcake

Taste: raspberry, redcurrant strawberry cream, juicy acidity, dry with length

Food Matches:

Perfect with a charcuterie platter.

Cheeses - manchego for its sweet, fruity flavour or munster for its creamy nuttiness.

Maple roasted almonds.

Suitable for vegans.
