

2024 MARLBOROUGH
SINGLE VINEYARD
PINOT NOIR ROSÉ

VINTAGE	VARIETY	ORIGIN	HARVEST DATE
2024	100% Pinot Noir	Marlborough, Wairau Valley	March 2024

TASTING NOTE

Aromas of strawberries and cream, fresh red apples and cherries. The light floral scent adds complexity. Silky, fruity and very fresh. Plenty of acidity balanced with lovely sweetness with core fruit flavours to reflect the bouquet.

WINEMAKING

The grapes were machine harvested and field destemmed before being gently pressed to stainless steel holding tanks for fermentation at cool temperatures with selected yeast strains with the aim to preserve the aromatic and fruit flavours from the vineyard.

FOOD MATCHING

Salmon, duck and dishes with salty cheese like fetta are a great choice to match. Distinct flavours of these dishes will complement and match well with this wine. The light and delicate style of this wine allows it to be enjoyed cool on its own.

CELLARING POTENTIAL

Ready to drink from 2024 to the end of 2026.
