## SAUVIGNON BLANC 2023

### Winemaking

Harvested at peak flavour maturity from our estate and grower vineyards across Marlborough. Gentle juice extraction, cold settled and fermented in stainless steel tanks with a range of aromatic yeasts.

### Vintage

An excellent flowering period and consistent rainfall resulted in even crops and healthy canopies. As a result, our start date was later, giving the fruit extra 'hang time' to develop more flavours across all varieties.

### Aroma & Palate

Citrus, notes with hints of passion fruit. Juicy and crisp, this wine is layered giving generous length of flavour.
