Vineyard & Winemaking Notes

Region | Esk Valley, Hawke's Bay

Alcohol | 13 %

A near perfect season produced some of the best Syrah we have seen in years in Hawke's Bay. Balancing both aromatics and structure. Our Estate Syrah is from multiple vineyard blocks of different soils in the Esk Valley. Fruit from hillside clay/ limestone soils and the old Esk riverbed silts. Fruit is hand harvested and vineyards individually wild fermented. Aged in new and seasoned French oak barrels.

Eye

Intense and vibrant crimson

Nose

Intensely perfumed with notes of blackberries, violets and black pepper

Taste

Blackberries and red fruits. Lively acidity brings freshness to the palate backed up by gentle and smooth supportive oak spices
