

# NV Port

## Non-vintage

Hand harvested

Drink now or cellar up to 10 years

Serve Room Temperature

Solera system

## Vineyard & Winemaking Notes

Region		Esk Valley, Hawke's Bay
Alcohol		18 %
Variety		Various estate grown grapes

Hand harvested very late in the season and very ripe.

Fruit is de-steamed and crushed, fermentation is quick with a large amount of hand plunging for maximum extraction.

After fortification, wine is run to old barrels. Slowly aged in our cellar using the Solera system, slowly blending many vintages as they age.

Only made in outstanding years.

### Eye

Deep ruby red

### Nose

Rich plum and raisin notes

### Taste

Plum/raisin intertwined with baking spice. Dark honey and sandalwood. Warming and luscious

## Food Match
