

SPY VALLEY

Our world-renowned flagship estate wines.

The perfect combination of vibrant flavour, impressive aroma, distinctive fruit character and balanced acidity.

SAUVIGNON BLANC 2023

Winemaking

Harvested at peak flavour maturity from our estate and grower vineyards across Marlborough. Gentle juice extraction, cold settled and fermented in stainless steel tanks with a range of aromatic yeasts.

Vintage

An excellent flowering period and consistent rainfall resulted in even crops and healthy canopies. As a result, our start date was later, giving the fruit extra 'hang time' to develop more flavours across all varieties.

Aroma & Palate

Lifted floral notes, with hints of citrus fruits. Distinctive flavours of passionfruit and lime intermingled with layers of minerality, finishing with a fresh mouth-watering acidity.

Suitable for vegans/vegetarians.
